

Action Taken Report on Alumni Feedback: 2019-20

Campus Satisfaction:

- Continued efforts to upkeep and improve the college campus to meet alumni expectations.
- Regular maintenance and enhancement projects conducted to ensure a pleasant environment.

Overall Environment:

- Sustained emphasis on cultivating a positive and inclusive atmosphere college-wide.
- Introduction of initiatives fostering a sense of community and belonging among alumni.

Admission Process:

- Ongoing evaluation and optimization of the admission process for increased efficiency.
- Introduction of technological solutions to streamline and expedite admissions procedures.

Library Facility:

- Increased investment in library resources and infrastructure to better serve alumni needs.
- Expansion of digital resources and online accessibility to accommodate diverse learning preferences.

Co-curricular and Extra-curricular Activities:

- Continued diversification and continuation of activities to align with alumni interests.
- Collaboration with alumni associations to organize engaging events and activities.

Academic Support System:

- Enhanced academic support services tailored to meet alumni needs comprehensively.
- Launch of mentoring programs and career guidance initiatives to aid alumni in their professional pursuits.

In summary, based on alumni feedback, various initiatives have been implemented to address their satisfaction and enhance different facets of the college experience. These endeavors are geared towards fostering enduring connections with alumni and ensuring their ongoing involvement and backing for the college community
