### **Actions Taken:**

#### **Library and Website Enhancement:**

It has been decided to

- I. Expedite the library automation process to facilitate online library access.
- II. Increase the library's operating hours to provide better access for students.
- III. Updated and organized the online resources for easier navigation and access.

**Improvement of Basic Amenities:**

It has been decided to

- I. Ensure the functionality and cleanliness of classrooms, laboratories, toilets and drinking water facilities.
- II. Implement a regular inspection schedule to address any issues promptly under the supervision of a Maintenance Committee.

**Enrichment of Co-curricular Activities:**

Encouraged student involvement in planning and organizing events to foster a sense of ownership and engagement.

**Enhanced Student-Teacher Interaction:**

Strengthened feedback mechanisms to encourage students to express their opinions and concerns directly to teachers.

**Syllabus Coverage:**

Introduced flexible teaching methods to accommodate varying learning paces and styles, ensuring comprehensive coverage of the syllabus.

The actions taken in response to student feedback aim to address their concerns and enhance their overall college experience. By prioritizing areas such as library access, basic amenities, co-curricular activities, student-teacher interaction and syllabus coverage. The institution committed to fostering a supportive learning environment that meets the needs and expectations of the students.
