

Action Taken Report on Teachers' Feedback: 2019-20

1. Library Resource Enhancement:

- Increased acquisition of up-to-date textbooks and reference materials as required by the syllabus.
- Regularly updated and expanded the library collection to maintain its relevance and comprehensiveness.

2. Assessment Transparency:

- Continued implementation of clear and equitable assessment procedures.
- Regularly reviewed and refined assessment practices to ensure transparency and efficacy.

3. Classroom and Laboratory Maintenance:

- Implemented strict cleaning schedules for both classrooms and practical laboratories.
- Established maintenance protocols to uphold cleanliness and upkeep of facilities.

4. Sports Facilities Improvement:

- Enhanced sports facilities to better meet student preferences and requirements.
- Conducted regular maintenance and inspections of sports equipment and facilities to ensure safety and operational efficiency.

5. Encouragement of Seminar/Workshop Participation:

- Continued encouragement of teachers to participate in seminars and workshops.
- Provided support and resources to facilitate the organization and attendance of such events.

6. Promotion of IQAC Initiatives:

- Actively promoted initiatives by the Institutional Quality Assurance Cell (IQAC) to elevate college quality standards.
- Incorporated recommendations and suggestions from IQAC into college policies and procedures.

7. Workspace Provision:

- Ensured the availability of sufficient workspace within departmental areas.
- Addressed any identified issues or concerns related to workspace availability and functionality.

In summary, based on teachers' feedback, proactive measures have been implemented to address their concerns and enhance various aspects of the college environment, aiming to create a supportive atmosphere conducive to teaching, learning, and professional development.
