## A Plantation Drive on 10.01.2021

A Plantation Drive was organized at Govt. College, Sundargarh on 10.01.2021, symbolizing the commitment to environmental sustainability and the conservation of our planet. The event took place in the presence of our esteemed Principal Dr. K.K. Das and was joined by nearly 25 enthusiastic staff members both teaching and non teaching. Together, this dedicated group successfully planted 30 saplings within the institute's premises. This initiative not only contributed to the beautification of the campus but also underscored the institution's dedication to promoting green and eco-friendly practices. It served as a reminder of the importance of our collective responsibility to protect the environment for future generations and highlighted the positive impact that even a small group of individuals can have in making a difference.
