

A Report on College Cleaning held on 21.06.2021

On June 21, 2021, the institution organized a College Cleaning Day in which staff members actively participated to raise awareness about hygiene and cleanliness. This initiative aimed to emphasize the importance of maintaining a clean and hygienic environment within the college premises. Twenty Two Staff members came together to clean and beautify the campus, setting an example for students and promoting a culture of cleanliness and hygiene.

The event served as a reminder of the vital role that cleanliness plays in ensuring a healthy and safe educational environment. It also underscored the institution's commitment to instilling good hygiene practices and creating a conducive atmosphere for learning. By involving staff members in this cleaning drive, the institution demonstrated that cleanliness is a collective responsibility and a core value in maintaining a positive educational atmosphere.
