A Report on observation of Vigilance Awareness Week held on 29th October, 2018

A Vigilance Awareness programme was observed by the institution on 29th October, 2018. Principal, Dr. K.K. Dash, inaugurated the event and the event was attended by staff members and nearly 120 students.

The primary objectives of the Vigilance Awareness program were to raise awareness about the importance of vigilance in preventing corruption and malpractices and to educate staff members about their roles and responsibilities in upholding ethical practices within the institution.

Principal Dr. K.K. Dash emphasized the significance of vigilance in maintaining the institution's reputation and credibility and the role of every staff member in ensuring ethical conduct and reporting any suspicious activities.

The program included interactive workshops and discussions where participants actively engaged in various activities related to vigilance. Different competitions like quiz, essay and debate were held on the occasion and prizes were given to the winners of the competitions.

The event served as a valuable platform to reinforce the institution's commitment to integrity and ethical conduct. The lessons learned from this program will be incorporated into future initiatives to further strengthen the institution's vigilance culture.
