

A Report on One Day Awareness Programme on Drug Abuse Prevention on 09.02.2019

An impactful One Day Awareness Programme on Drug Abuse Prevention was observed in the institution on 09.02.2019. The event, presided over by our esteemed Principal, aimed to educate and create awareness among the students and staff about the dangers of drug abuse and ways to prevent it.

Programme Highlights:

The event commenced with a warm welcome from our Principal, Dr. K.K. Dash, who emphasized the importance of addressing the issue of drug abuse within our community. The Principal stressed the need for collective efforts in creating a drug-free environment within the institution.

A distinguished Doctor from the DHH, Sundargarh Dr. B.K. Kindo and officials from NAPDDR shared their expert views on the physiological and psychological effects of drug abuse. They highlighted the alarming rise in drug abuse cases and emphasized the significance of early prevention and intervention. Their insights provided valuable information to the attendees, shedding light on the consequences of drug addiction.

The programme included interactive sessions where students and staff actively participated. Questions and concerns were raised, allowing for a comprehensive discussion on various aspects of drug abuse, its root causes and potential preventive measures.

A visual presentation and informative pamphlets were used to illustrate the different types of drugs, their effects on the human body and the available support systems for individuals struggling with addiction. This awareness campaign aimed to equip the participants with knowledge to identify signs of drug abuse and seek help when needed.

A total of 112 students and staff members actively participated in the programme.

The event, led by our Principal and supported by the insights from the Doctors from DHH, Sundargarh served as a significant step towards building a drug-free environment within our institution. The knowledge gained and discussions held during the programme are expected to have a lasting impact, fostering a sense of awareness and responsibility among the participants.
