

A Report on Plantation Drive Inside College and Hostel Campus held on 09.06.2019

A plantation drive that took place inside the college and hostel campus on 09.06.2019. The initiative, led by the Principal, faculty members, staff, enthusiastic students, NSS and YRC Volunteers. Nearly 80 students participated in this plantation drive.

The plantation drive aimed to enhance the green cover within our college and hostel campus, contributing to environmental preservation and creating a healthier, more sustainable environment for everyone associated with the institution. The event provided an opportunity for the entire academic community to come together and actively participate in a hands-on initiative towards environmental conservation. Students, representing various academic disciplines, displayed great enthusiasm and zeal during the plantation drive. Their active involvement showcased their sense of responsibility towards nature and their willingness to contribute to the betterment of the campus environment.

Impact:

The plantation drive inside the college and hostel campus will yield several long-term benefits, including improved air quality, enhanced biodiversity, and a more aesthetically pleasing environment. Additionally, it will serve as an educational opportunity for students to learn about the importance of trees and their role in ecological balance.

The plantation drive inside the college and hostel campus was a remarkable success. The initiative not only added to the beauty of our campus but also reinforced the institution's commitment to environmental conservation and sustainability.
