

The background is a lush, green tropical jungle scene. It features various types of foliage, including large, dark green monstera leaves with characteristic holes, and smaller, lighter green leaves. In the center, there is a bright green, rounded rectangular box with a thin white border. Inside this box, the words "MEGA PLANTATION" and "DRIVE" are written in a bold, white, sans-serif font, stacked vertically. The overall color palette is dominated by various shades of green, from deep forest greens to bright, vibrant greens.

**MEGA PLANTATION  
DRIVE**

# Introduction

- ▣ Mega Plantation drive celebrated by the National Service Scheme (NSS) , Govt. College Sundargarh, emphasizes the importance of tree planting and environmental conservation. This week-long event engages students in planting trees, raising awareness about ecological balance, and fostering a sense of responsibility towards preserving our natural resources for future generations.

# Purpose

- ▣ The purpose of Mega Plantation drive in NSS is to promote environmental conservation through tree planting and awareness activities. It aims to educate volunteers about the importance of trees in maintaining ecological balance, combatting climate change, and enhancing biodiversity. The event fosters a sense of responsibility and encourages proactive efforts in protecting the environment.

# Event summary
