Event Details: *Digital Skill Development Program at Sundargarh College*

Date: January 24, 2025

Location: Sundargarh Government College

Organized By: Career Counseling Cell, Govt. College Sundargarh

On January 24, 2025, Sundargarh College hosted a significant Digital Skill Development Program at the Sundargarh Government College under the guidance of the Career Counseling Cell. The event was designed to increase awareness about digital skill development and its impact on career growth in the modern, technology-driven world.

INAUGURAL SESSION:

The program was inaugurated with an opening address by the Principal, Professor Virendra Patel, who presided over the event. In his speech, Professor Patel emphasized the critical importance of digital skills in today's competitive job market. He also highlighted various facets of the program, including how the digital era has transformed education and employment opportunities across the globe. Professor Patel expressed the college's commitment to fostering a technologically aware and skilled generation of students who are prepared to meet the challenges of the future.

KEYNOTE ADDRESS BY HARSH ARYA:

Harsh Arya, the Director of Unitech Engineer Institute and a subject matter expert, delivered an insightful keynote address. He provided a comprehensive overview of the Odisha State Skill Development Center's digital portal and its benefits for students and professionals. Harsh Arya elaborated on the registration process for accessing digital skill development resources and how individuals could utilize the portal to enhance their skills. He also discussed various online courses and certification programs available through the portal, which can significantly contribute to one's career development in the digital domain.

PROGRAM PLANNING AND CONTRIBUTIONS:

The program was meticulously planned and coordinated by Shiv Prasad Mahanth, Head of the Department of Geology at Sundargarh College. His efforts ensured a smooth execution of the event, engaging both faculty members and students in meaningful discussions. Senior Professor Dr. R. Kulamani Behera, Assistant Professor Dr. Vinod Bihari Mallick, and Assistant Professor Nahi Khamari Magar, along with three other staff members, contributed their expertise to the success of the program. Together, they engaged with participants, answered queries, and encouraged active participation throughout the event.

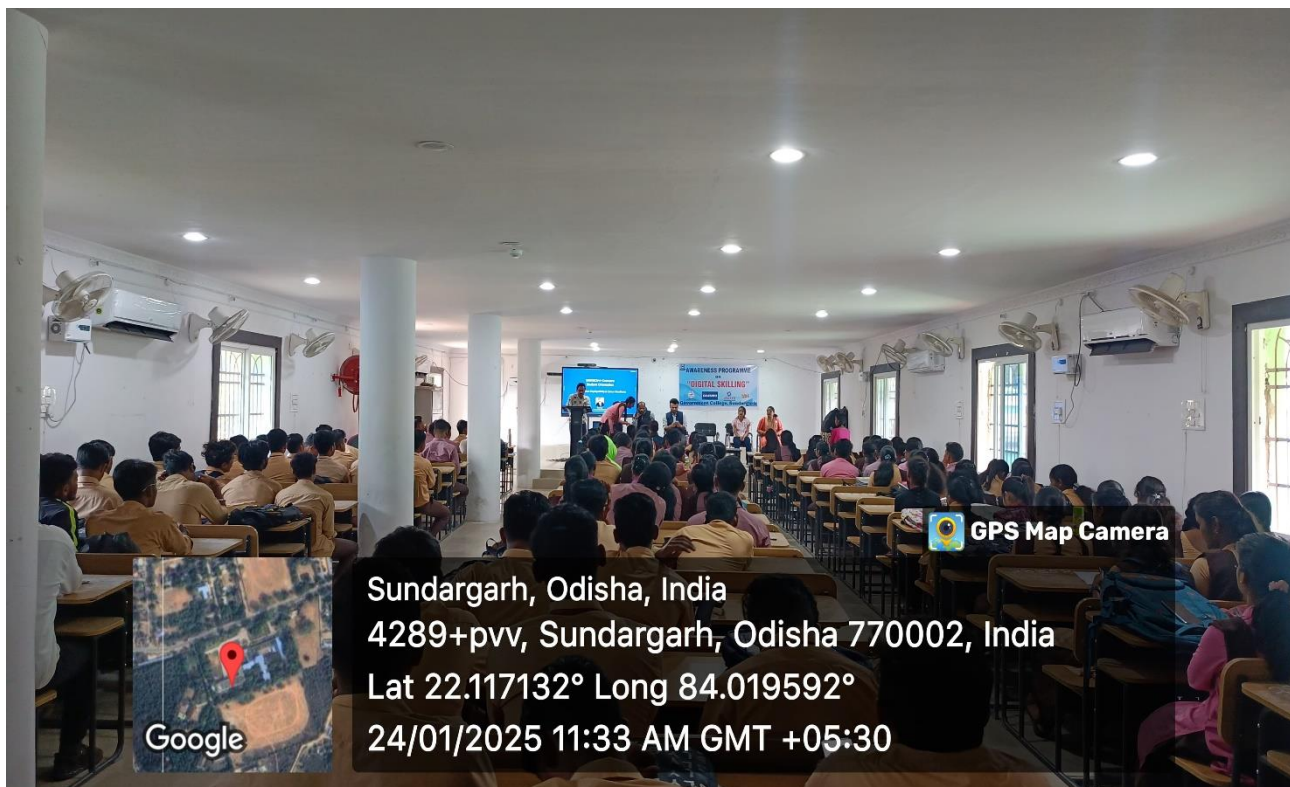

AUDIENCE ENGAGEMENT:

The program saw enthusiastic participation from students, faculty, and staff members. The attendees expressed keen interest in the topics discussed and asked insightful questions regarding the registration process, the significance of digital skills, and the future of technology-based careers. The interaction and discussions were well-received, creating a positive atmosphere for learning and growth.

VOTE OF THANKS:

The event concluded with a vote of thanks delivered by Assistant Professor Nahi Khamari Magar. He extended gratitude to the esteemed speakers, faculty members, and students for their valuable contributions. A special thank you was offered to Harsh Arya for his informative presentation and guidance on utilizing digital resources. Professor Magar also acknowledged the support of the Sundargarh Government Office and the Career Counseling Cell for organizing the event, ensuring its success.

The Digital Skill Development Program at Sundargarh College was a highly beneficial session that not only raised awareness about digital skills but also equipped students and professionals with essential tools to navigate the evolving digital landscape.
