# NATIONAL YOUTH DAY

[Date-12<sup>th</sup> Jan,2025(Sunday) Location-B.ED. Conference hall,Govt. college Sundargarh]

## INTRODUCTION

National Youth Day is celebrated annually in India on January 12th to honor the birth anniversary of Swami Vivekananda, a renowned philosopher, spiritual leader, and social reformer. The day is dedicated to celebrating the ideals and teachings of Swami Vivekananda, particularly his emphasis on youth empowerment, self-reliance, and the importance of education. National Youth Day aims to inspire young people to contribute positively to society, embrace their potential, and work towards building a stronger nation. Various programs, seminars, and events are organized across the country to encourage the youth to follow Vivekananda's vision of national development and personal growth.

## PURPOSE

The purpose of National Youth Day is to honor his contributions to society and to inspire young individuals to adopt his teachings of selflessness, self-reliance, and empowerment. Vivekananda's life and ideas continue to motivate generations, especially youth, to pursue their dreams, work towards societal betterment, and uphold values such as tolerance, unity, and service to humanity.

The day serves as a reminder of the potential and power of youth in shaping the future of the nation. It underscores the importance of education, not just

for academic growth but also for the development of character and leadership qualities. Swami Vivekananda believed that the youth are the backbone of any nation, and their enthusiasm and energy could bring about revolutionary changes in society.

National Youth Day also aims to encourage young people to rise above challenges and be socially responsible. Through various events, discussions, and programs, it aims to provide a platform for youth to engage in constructive activities that help in nation-building. The day emphasizes the need for young individuals to stay rooted in moral and spiritual values while navigating modern challenges, thereby fostering holistic growth.

By celebrating National Youth Day, the country hopes to channel the power of youth toward the betterment of society and inspire them to take on leadership roles with a sense of purpose, courage, and compassion, much like Swami Vivekananda envisioned.

**ORGANISER-** Organised by Govt. College Sundargarh

### **EVENT SUMMARY**

On the occasion of National Youth Day, our college organized a special event to honor Swami Vivekananda's contributions to youth empowerment. The celebration began with the lighting of a lamp by the esteemed guest, symbolizing wisdom and enlightenment. Following this, a motivational speech was delivered, highlighting Vivekananda's teachings and their relevance to modern youth.

The event also included a competition, where students showcased their talents and knowledge. Winners were awarded certificates in recognition of their efforts. To conclude the event, a delicious tiffin was provided, fostering a sense of camaraderie among the participants and guests. The day was a meaningful tribute to Swami Vivekananda's legacy, inspiring students to embrace his ideals.

## **CONCLUSION**

In conclusion, the National Youth Day celebration at our college was a resounding success, filled with inspiration and enthusiasm. The event not only honored the teachings and legacy of Swami Vivekananda but also encouraged students to reflect on their potential and contributions to society. The lighting of the lamp, the insightful speech, the engaging competition, and the recognition of talent through certificates made the day memorable. The event fostered unity and motivated the youth to follow the path of knowledge, strength, and self-belief, in line with Vivekananda's vision for the nation's youth.
