

Action Taken Report on Alumni Feedback: 2018-19

Campus Satisfaction:

- Continued efforts to maintain and enhance the college campus to meet the expectations of alumni.
- Regular maintenance and beautification projects to ensure a pleasant and conducive environment.

Overall Environment:

- Sustained focus on fostering a positive and welcoming atmosphere throughout the college.
- Implementation of programs and initiatives to promote a sense of belonging and community among alumni.

Admission Process:

- Ongoing review and refinement of the admission process to streamline procedures and improve efficiency.
- Implementation of technology-driven solutions to simplify and expedite the admission process.

Library Facility:

- Increased investment in library resources and infrastructure to meet the needs of alumni.
- Expansion of digital resources and online access to cater to diverse learning preferences.

Co-curricular and Extra-curricular Activities:

- Continuation and diversification of co-curricular and extra-curricular activities to cater to alumni interests.
- Collaboration with alumni associations to organize engaging events and programs.

Academic Support System:

- Enhancement of academic support services to provide comprehensive assistance to alumni.
- Implementation of mentoring programs and career guidance initiatives to support alumni in their professional endeavors.

In summary, based on the feedback received from alumni, various actions have been undertaken to address their satisfaction and further improve different aspects of the college experience. These efforts aim to maintain strong connections with alumni and ensure their continued engagement and support for the college community.
